

## About Us

BYJU'S is the world's most valuable ed-tech company and the creator of India's most loved school learning app which offers highly adaptive, engaging and effective learning programs for students in classes 1 -12 (K-12) and competitive exams like JEE, NEET, CAT, and IAS.

BYJU'S - The Learning App, the flagship product for classes 4-12 was launched in 2015. Today, the app has over 35 million registered students and 2.4 million annual paid subscriptions. With an average time of 71 minutes being spent by a student on the app every day from 1700+ cities, the app is creating a whole new way of learning through visual lessons. It is encouraging students to become self- initiated learners.

The Disney BYJU'S Early Learn App was launched in June 2019, a special offering from BYJU'S in collaboration with Disney India for students in classes 1-3. In early 2019, BYJU'S also acquired Osmo, a Palo Alto-based maker of educational games to transform the whole offline to online learning experience.

Delivering a world-class learning experience, programs from BYJU'S are making learning contextual and visual. The apps have been designed to adapt to the unique learning style of every student, as per the pace, size, and style of learning. BYJU'S is paving the way for new-age, geography-agnostic learning tools that sit at the cross-section of mobile, interactive content and personalised learning methodologies.
